

## Nighttime Animals

**1** Turn to pages 6–7. When do the nighttime animals wake up?

*Common Core State Standards (Reading: Informational text): RI.1.1, RI.2.1*

**2** Look at the picture of an owl on page 11. What is a “talon”? How do you know this from this page?

*Common Core State Standards (Reading: Informational text): RI.1.4, RI.2.4*

**3** Look at pages 14–15 about scorpions. What extra information do you learn from the photo and labels?

*Common Core State Standards (Reading: Informational text): RI.1.6*

**4** Read about possums on pages 22–23. What is a baby possum called?

*Common Core State Standards (Reading: Informational text): RI.1.4, RI.2.4*

**5** Look at the index near the back of the book. Which pages would you turn to for information about coyotes? How would you find these pages in the book?

*Common Core State Standards (Reading: Informational text): RI.1.5, RI.2.5*

## **Answers**

- 1 when the sun sets / night falls
- 2 a hooked claw; from the label on the picture
- 3 the position of the stinger and claw, and what they look like
- 4 a joey
- 5 page 8; using the page numbers at the bottom of the page
