

Wild Baby Animals

- 1 On page 6, what does 'Zzz!' show?
- 2 What is a baby rabbit called?
- 3 Look at page 18. Why is it hard to see a fawn?
- 4 Re-read page 23. What does the author think about how much time giraffes spend eating – that it's a lot of time, or not much time?
- 5 What things can baby crocodiles do?

Answers

1 the sound of sleeping squirrel pups

2 a kit

3 its spots make it blend in with the background.

4 a lot of time

5 hunt and swim
