

## Shapes and Patterns in Nature

- 1 Turn to the front of the book. Who is the author of this book? What does an author do?
- 2 Look at the pictures on pages 6–7. What can you see? What do all these things have in common?
- 3 Turn to pages 10–11. What shape are many eggs?
- 4 Read about patterns in nature on pages 20–21. Name two animals on these pages that have got stripes.
- 5 Look at more patterns in nature on pages 22–29. Describe your favourite pattern and draw a picture using that pattern.

### Answers

- 1 Libby Romero; They write books (also stories, poems, articles, etc.).
- 2 Raindrops on water, growth lines inside a tree trunk, lily pads, the Moon; They are all circles.
- 3 oval
- 4 two from: zebras, tigers, leopards
- 5 Answers will vary.
