

DK SUPER Readers

Dear Parent,

Welcome! Your child is on their way to making reading their superpower with **DK Super Readers!**

Our DK Super Readers offer five levels of difficulty, are visually engaging, and have designs that mature and progress with each level. They will take your child on a journey through the wonderful world of nonfiction: traveling back to the time of the dinosaurs, learning more about animals, exploring natural wonders, and more, all while developing vital nonfiction reading skills and progressing from first words to reading confidently.

Each title, which has been leveled using MetaMetrics®: The Lexile Framework for Reading, integrates science, geography, history, and nature topics so there's something for all children's interests.

Your child will love powering up their nonfiction reading skills and becoming a reading hero!
