

Farm Animals

- 1 Find the title page and look at the title. Where do you think the animals in this book could be seen in real life?
- 2 Look at pages 6–29. How does the bar across the bottom of each spread help?
- 3 Look at pages 12–13. What information is given by the pictures' labels, but not by the main text?
- 4 Look at pages 20–21. Find one difference and one similarity between ducks and ducklings.

Answers

- 1 on a farm
- 2 They show different pictures of the animal named / give examples to make the meaning of the word clear.
- 3 They show the body parts 'udder' and 'hoof', and identify a baby cow as a 'calf'.
- 4 Differences include size, colour and feather texture. Similarities include beaks, wings and webbed feet.
