

Amusement Park

- 1 Turn to the front of the book. Who is the author of this book? What does an author do?
- 2 Read about pushes on pages 8–9. What types of pushes can you see in the pictures?
- 3 Turn to pages 12–13. What is the name of the force that pulls things towards Earth?
- 4 Look at the ride on pages 24–25. What pushes the riders out from the centre of the ride?
- 5 Find the glossary. Which words in the glossary did you already know? Which words were new to you?
