

Desert Plants and Animals

- 1 Look at the contents page at the start of the book. Where would you look to read information about desert animals? How would you find this page in the book?
- 2 Read the text on pages 10–11. What is an ‘adaptation’?
- 3 Read about Antarctic moss on pages 14–15. How has the moss adapted to the dark days in Antarctica?
- 4 Look at pages 18–19. What extra information do you learn from the photo and the label?
- 5 Turn to pages 24–26. Name two things that help penguins to stay warm.

Answers

- 1 page 20; using the page numbers at the bottom of the page
- 2 a change in a living thing to help it survive
- 3 It needs very little light.
- 4 what the plant looks like and where the branches are
- 5 feathers and blubber
