

## Quokkas

- 1 Which quokka picture from the book would you use on the cover?
- 2 Using the contents page, how many chapters are there about quokkas?
- 3 Add labels to the picture on pages 8–9 to identify the different features of the quokka.
- 4 Can you add any more labels to the map on page 13 to identify other oceans, the names of continents and the country you live in?
- 5 Write a fact box about baby quokkas for pages 18–19.
- 6 Create a true-or-false quiz about quokkas.
- 7 Use the contents, index and glossary to create a fact file on quokkas.

## **Answers**

**1** Answers will vary.

**2** five

**3** Answers will vary. Example answers: fur, tail, paws, claws

**4** Answers will vary. Example answers: Atlantic Ocean,

Mediterranean Sea, Asia, Europe, North America, South America, Antarctica, Africa, United Kingdom

**5** Answers will vary. Example answers: Baby quokkas are called joeys. Joeys feed on their mother's milk and live in a pouch on their mother's tummy for the first six months. Baby quokkas stay with their mothers until they are nearly two.
