

DK SUPER Readers

Dear Parent,

Welcome! Your child is on their way to making reading their superpower with **DK Super Readers!**

Our DK Super Readers offer five levels of difficulty, are visually engaging and have designs that mature and progress with each level. They will take your child on a journey through the wonderful world of non-fiction: travelling back to the time of the dinosaurs, learning more about animals, exploring natural wonders and more, all while developing vital non-fiction reading skills and progressing from first words to reading confidently.

Each title, which has been levelled using MetaMetrics®: The Lexile Framework for Reading, integrates science, geography, history and nature topics so there's something for all children's interests.

Your child will love powering up their non-fiction reading skills and becoming a reading hero!
