

Save the Tigers

- 1** Find the contents page. Where would you look to read information about saving tigers? How would you find this page in the book?
- 2** Read about tigers' prey on pages 12–13. What are five animals that tigers like to hunt for food?
- 3** Turn to pages 16–17. What information does the text in the blue box give about tigers? Look through the book and find some more fact boxes. Do you find these boxes helpful?
- 4** Look at the map on pages 22–23. What does it show? How does it help you to understand the text?
- 5** Look at the blue box on page 23. What does the word 'endangered' mean? Do you know any other animals that are endangered?
- 6** Read pages 24–28. Do you think the author wants people to protect tigers? Do you feel the same way?
- 7** Look at the glossary and the index. What do you notice about the order in which the words are listed? Do you find this helpful? Why?
