

Easter ornaments with Fuse Beads

Fuse beads are perfect for Easter. With them you can easily create cheerful Easter designs and enjoy hours of creativity — ideal for Easter crafting and a fun, creative afternoon.

Using A4 paper and our inspiration template, print template out and lay this under your transparent bead board.

Choose your favourite colours and make the most colourful ornaments for Easter. Following the instructions on the packaging, fuse beads together.

Make a small hole through your ornament and thread a ribbon through.
