

## Paper gift box

Create a paper gift box with just a few materials and a touch of creativity. This gift box is perfect for packaging sweets or small presents. Follow the 12 simple steps and discover how enjoyable it is to make your own gift packaging!

1 Cut a sheet of paper measuring 6 x 6.5 inches.

2 Score the long side at 1.5, 3, 4.5, and 6 inches.

3 Score the short side at 1.5 inches.

4 Make three cuts along the long side up to the score line and trim off a corner. This will help assemble the bottom of the box later.

5 Start by adhering the thin long strip.

6 Then, assemble the bottom of the box.

Punch out two strips, one measuring 1.5 x 4 inches and the other 1 x 3.5 inches.

Stamp a message on the smaller strip and embellish it with Nuvo drops.

Attach the two banners together.

Fill the box with chocolates, sweets, or another treat.

Tie a bow with the hemp cord and secure it to the top of the box with a small clothespin.

Punch out several butterflies and adhere them to the box.
