

## Mother's Day Card with Heart Confetti

Create a heartfelt Mother's Day card with a little envelope full of heart confetti! Follow the steps below and surprise your mum with this handmade gift.

Use a sheet of parchment paper for the envelope. Follow the instructions of the Score Easy and score the paper to create a 3.5 x 3.5 inch (9 x 9 cm) envelope.

Round off the corners using an envelope punch.

Stick the flaps together to form the envelope.

Use different shades of red, pink, and white paper to create confetti with a mini heart punch.

Take a white sheet of 6 x 12 inches (15.2 x 30.5 cm) and fold it into a square of 6 x 6 inches (15.2 x 15.2 cm) for the card base. Stick a pink sheet of 5.6 x 5.6 inches (14.2 x 14.2 cm) on top.

Stamp a sweet message in the bottom corner of the card using black ink.

7  
Attach the envelope at a slight angle on the card, using double-sided tape for the best result.

8  
Decorate the card with a few heart confetti pieces and tuck the rest inside the envelope. Your Mother's Day card is ready!
