

## Halloween Drawing: Spooky Witch's Cauldron

Would you like to draw a cauldron? With these simple steps, you can easily create a magical pot full of fire and bubbles. Perfect if you want to draw something fun for Halloween!

1 Draw an oval with a cross inside it.

2 Draw a circle underneath this cross.

3 Connect the circle to the oval with curved lines and add a smaller oval inside the larger one.

4 Add two handles and three legs to the cauldron.

5 Add detail to the legs by turning them into bird claws.

6 Draw bubbles above and fire below the cauldron.

7  
Neatly trace all the lines with a gel pen and erase the sketch lines.

8  
Add small dashes to create shading.

9  
Colour the cauldron with grey and purple (pencil).

10  
Then colour in the fire.

11  
Finally, draw and colour the steam rising from the cauldron.
