

Halloween Card: Creepy Mouth with Teeth

In the mood for some Halloween crafting? Make this spooky card with a mouth full of sharp teeth and dripping blood. Perfect for giving someone a fright or as a unique Halloween greeting!

1 Cut a piece of cardstock measuring 5.3 x 10.6 inches (13.5 x 27 cm) and score it at 5.3 inches (13.5 cm) to create your base card. Also cut a square of 5.1 x 5.1 inches (13 x 13 cm) in the same colour. For the mouth, use black cardstock measuring 3.9 x 3.9 inches (10 x 10 cm). For decoration, you can use scraps of red and white.

2 With a pencil, draw a bean-shaped oval on the 5.1 x 5.1 inches (13 x 13 cm) square and cut it out.

3 Stick the black 3.9 x 3.9 inches (10 x 10 cm) square in the centre of the base card.

4 Draw four small triangles on white paper and cut them out. These will be the teeth.

5 Use the cut-out mouth as a template to draw the outlines on red paper. Add some blood drops and draw a tongue. Then cut everything out.

6 Assemble the card: first glue the teeth to the back of the mouth, then add the tongue on top.

7
Attach double-sided tape to the back of the mouth.

8
Stick the blood drops on the front of the card. Finish with Nuvo Crystal Drops; you can also add some to the tongue for extra detail.

9
Stamp a sentiment on coloured paper and stick it onto the card. Your spooky creation is ready to give!
