

Make a birthday card with moustaches

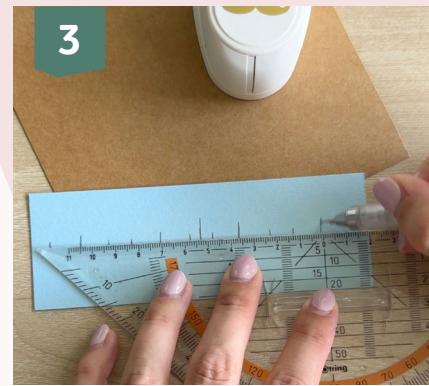

Create an original birthday card with a moustache pattern that you make yourself. Fun to do and extra special to give!

For this card, we'll start by making a small stencil with the moustache punch. Cut a strip of paper measuring 5.7 x 1.6 inches (14.5 x 4 cm). Mark the centre and add a small line 0.2 inches (0.5 cm) to the left and right.

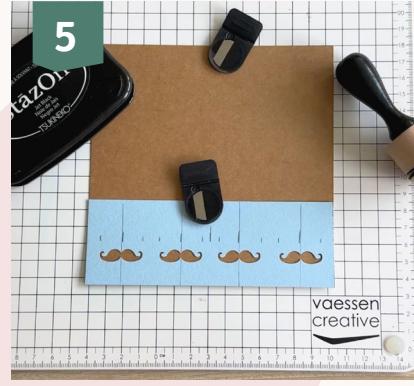

Each moustache is 1 inch (2.5 cm) wide. Measure this from your marks and leave 0.4 inches (1 cm) of space between each moustache.

Draw guide lines through the middle of each moustache (0.5 inches / 1.25 cm) and extend them upwards.

Line up the punch with the centre line and punch out the moustaches.

Place the stencil on a piece of kraft paper measuring 5.7 x 5.7 inches (14.5 x 14.5 cm).

Use a blending tool to apply black ink, moving the stencil upwards until the whole paper is covered.

7

Cut a piece of white paper measuring 2 x 4.5 inches. Hand-letter the text "Have a fan-tache-tic birthday" on it. You can sketch it in pencil first if you like.

8

Punch this piece of paper into a tag with a tag punch. Punch another moustache from black paper and stick it at the top of the tag.

9

Add foam tape to the back of the tag.

10

Tie a piece of jute twine to the tag and stick it onto the card. Secure the twine at the back.

11

Finally, attach the stencilled kraft paper to a folded base card measuring 6.1 x 6.1 inches (15.5 x 15.5 cm) with double-sided tape.
