

Make gingerbread-style Christmas ornaments

Create your own adorable Christmas ornaments inspired by festive gingerbread biscuits. With some cardstock, 3D paint and ribbon, you can make charming decorations for your Christmas tree in no time!

Punch out two shapes from brown cardstock.

Lightly sketch your design on one of the shapes with a pencil.

Trace over your design with 3D paint.

Glue a piece of red satin ribbon to the top of one shape.

Stick the two shapes together, making sure the ribbon is sandwiched in between.

Try different punches and decorations to make a variety of ornaments.
