

## Making Invitation Cards

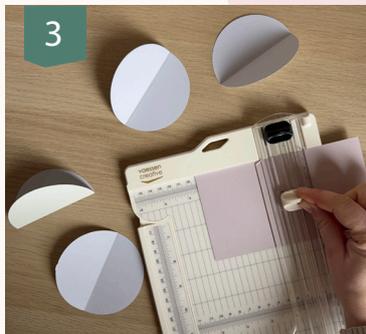

Create an original invitation card with space for your own message and decorate it entirely in your own style.

1 Punch out four circles for each invitation.

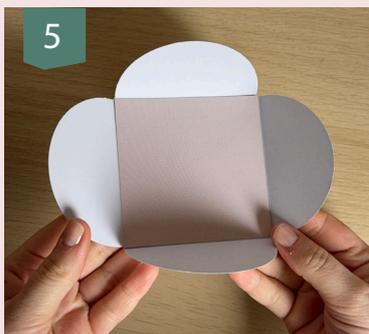

2 Fold or score the circles down the middle.

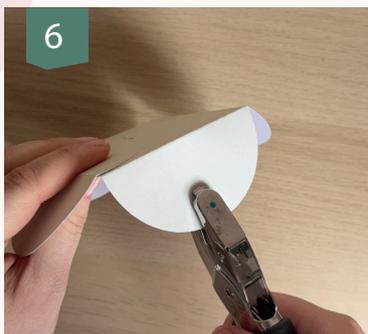

3 Cut a piece of cardstock measuring 9 x 9 cm.

4 Apply glue to one side of the circles and stick them onto the cardstock.

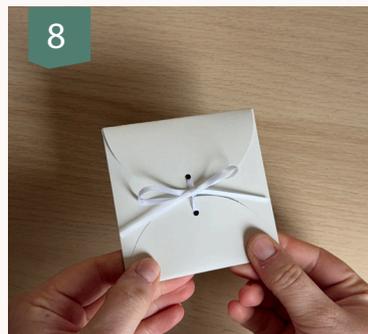

5 Use a hole punch to make a hole on two sides.

6 Thread a piece of satin ribbon through the holes.

7 Tie a knot in the ribbon to secure everything in place. Your invitation card is ready!
