THE CLAYS WAY

**JOIN US FOR A TASTE OF THE HIGH LIFE
THIS CHRISTMAS.**

Ditch the clichés, grab your guns and do something completely different this Christmas with a virtual shooting party at Clays.

This year, we're bringing a taste of après culture to the UK – think winter glamour, competitive spirit, and a taste of the high life.

Select a package curated by us – or go off-piste and build your own. Private peg? Fancier food? Have everything just how you like it.
